WELCOME

Beth Bojkov, Bree Collaborative, welcomed everyone to the November meeting. Quorum was not reached, so October minutes approval will be addressed at the beginning of our December workgroup meetings.

Action: Return to October workgroup minutes in December

Beth provided a brief overview of the remaining 3 meetings. The workgroup will meet in November, December, and January.

DISCUSS: DRAFT REPORT AND GUIDELINES

Beth transitioned the group to review and discuss the draft report and guidelines. Following changes were made:

- Adding partnership with DOH to the HCA guideline around air filtration/air conditioner programs
- Link to resources like practice greenhealth, and migrant clinicians network in the appendices
- Adding links to DOH resources for air quality monitoring
- Removed heat-related deaths guideline for department of health
- Added L&I audience under state agencies
- Changed language around asking for risk factors to include it in history taking

PUBLIC COMMENT AND GOOD OF THE ORDER

Beth invited final comments and thanks all for attending. At the next workgroup, the group we will review implementation and evaluation tools that will support the report and guidelines after publication. The workgroup's next meeting will be on **Wednesday, December 11th, 2024 from 8-9:30AM.**
